\* Estimate of grant funding committed for expenditure from 1 Jul 2013.

\*\* Queensland Department of Transport and Main Roads whilst not providing funding are contributing in-kind support to both MAIC and CARRS-Q towards these projects through providing access to appropriate data, resources and expertise.

\*\*\* \$122,219 was the total unspent (surplus) funding repayable by the University of Queensland at the conclusion of funding of this registry. This refund was split between the two funding partners (MAIC and Queensland Health) in line with funding ratios, with \$30,554 refunded to Health by MAIC and the remaining \$91,665 retained by MAIC as its component of the total unspent funding.

\*\*\*\* MAIC has signed an in-principle agreement as one of four funding partners to support the establishment of this Chair over 5 years with final agreement expected to be executed in 2013–14.

\*\*\*\*\* This funding approval is conditional on the signing of the final agreement which is expected to be executed in 2013–14.
