## Summary of financial performance 2023–24

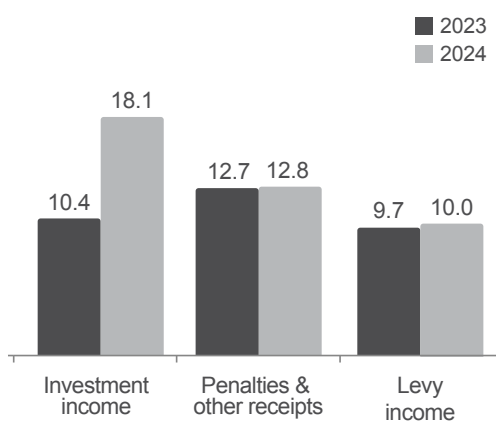

The operating result for MAIC for the year ended 30 June 2024 was an operating surplus of \$5.0 million compared to the prior year's surplus of \$2.1 million. The increase was driven by an increase in investment returns on financial assets, levy and penalty income, offset with the increase in total expenses.

The statutory insurance scheme levy per vehicle remained \$2.00 per annum in 2023-24. Penalties and other income increased by \$0.1 million to \$12.8 million.

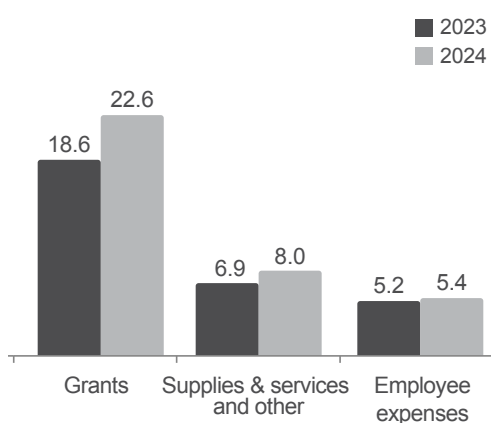

The investment returns on financial assets were gains of \$18.1 million compared to prior year's gains of \$10.4 million. This reflects improvements in the equity market.

Total expenses increased by \$5.3 million to \$36.0 million in 2023–24. MAIC's largest expense item relates to grants spend of \$22.6 million for the continued funding of research programs to reduce the incidence and mitigate the effects of road trauma. The increase in grants expense of \$4.0 million was largely due to increase in proposed investment in targeted research and service delivery. Details of grants funding are provided in Appendix 4.

### 1. BASIS OF FINANCIAL STATEMENT PREPARATION

#### (a) General information

The Motor Accident Insurance Commission (MAIC) is an independent statutory body reporting to the Treasurer and Minister for Trade and Investment established under the *Motor Accident Insurance Act 1994* (the Act).

The head office and principal place of business of MAIC is 275 George Street, Brisbane, QLD 4000.

#### (b) Compliance with prescribed requirements

MAIC is a not-for-profit entity and these general purpose financial statements are prepared on an accrual basis, except for the statement of cash flows, in accordance with:

- section 39 of the *Financial and Performance Management Standard 2019*
- section 62(1) of the *Financial Accountability Act 2009*
- applicable Australian Accounting Standards and Interpretations
- Queensland Treasury's Minimum Reporting Requirements for reporting periods beginning on or after 1 July 2023.

#### (c) Currency and rounding

Amounts included in the financial statements are in Australian dollars and have been rounded to the nearest \$1,000 or, where that amount is \$500 or less, to zero, unless disclosure of the full amount is specifically required.

#### (d) Comparatives

Comparative information reflects the audited 2022-23 financial statements except where restatement was necessary to be consistent with disclosures in the current reporting period.

#### (e) Current / non-current classification

Assets and liabilities are classified as either 'current' or 'non-current' in the Statement of Financial Position and associated notes.

Assets are classified as 'current' where their carrying amount is expected to be realised within 12 months after the reporting date. Liabilities are classified as 'current' when they are expected to be settled within 12 months after the reporting date, or where MAIC does not have a right to defer settlement beyond the 12 months after the reporting date. All other assets and liabilities are classified as 'non-current'.

Financial assets at fair value through profit or loss comprising of investments managed by QIC Limited (QIC) are classified as 'current' or 'non-current' based on the relative liquidity of the investments. Investments are classified as 'current' where they are readily convertible to cash on hand at MAIC's election. Investments that are long-term and not readily convertible to cash within a short period are classified as 'non-current'.

#### (f) Judgements and assumptions

The preparation of financial statements necessarily requires the determination and use of certain critical accounting estimates, assumptions, and management judgements that have the potential to cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year. Such estimates, judgements and underlying assumptions are reviewed on an ongoing basis.

The area involving a higher degree of judgement is in the fair value measurement of financial assets at fair value through profit or loss (refer to **Note 12**).

## **Notes to and forming part of the financial statements**

for the year ended 30 June 2024

### **1. BASIS OF FINANCIAL STATEMENT PREPARATION - continued**

#### **(g) Authorisation of financial statements for issue**

The financial statements are authorised for issue by the Insurance Commissioner and the Director Finance, Risk and Assurance at the date of signing the Management Certificate.

#### **(h) Basis of measurement**

The financial statements have been prepared on a historical cost basis, except for financial assets at fair value through profit or loss which are shown at fair value.

#### **(i) Offsetting financial assets and financial liabilities**

Financial assets and financial liabilities are offset, and the net amount is reported in the statement of financial position when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. Refer to **Note 13** for more details on financial assets at fair value through profit or loss.

### **2. OBJECTIVES OF MAIC**

MAIC is responsible for regulation and ongoing management of the Queensland Compulsory Third Party (CTP) scheme and the Nominal Defendant Fund. It provides a framework for premium setting and ensures compliance with the provisions of the Act. It also conducts research in motor accident prevention and rehabilitation.

### **3. LEVY**

Levy income consists of Statutory Insurance Scheme (SIS) levies received to fund the estimated operating costs of administering the Act and also provides funding for research into accident prevention and injury mitigation.

Levies are recognised at the time they are legally payable by the Department of Transport and Main Roads (DTMR) to MAIC in accordance with section 27 of the Act. Under current arrangements, the levies are payable on a weekly basis. The SIS levy rate is fixed each year by regulation in accordance with section 14A(1) of the Act.

### **4. PENALTIES**

Penalties are recognised at the time they are legally payable by DTMR and Queensland Treasury (State Penalties Enforcement Registry) to MAIC for penalties issued under section 20 of the Act. This occurs at the time of receipt of monies from uninsured motorists.

<b>Total</b>	<b>5,393</b>	<b>5,194</b>

The number of employees, including both full-time employees and part-time employees, measured on a full-time equivalent basis is 32 as at 30 June 2024 and 33 for 30 June 2023 (reflecting Minimum Obligatory Human Resource Information).

## Notes to and forming part of the financial statements

for the year ended 30 June 2024

### 7. EMPLOYEE EXPENSES - continued

#### ***Wages, salaries and sick leave***

Salaries and wages expense is recognised in the Statement of Comprehensive Income when services are rendered. Wages and salaries due but unpaid at reporting date are recognised at the current remuneration rates as these liabilities are expected to be wholly settled within 12 months of reporting date and as such are undiscounted.

Sick leave is non-vesting and an expense is recognised when the leave is taken.

#### ***Annual and long service leave***

No provision is recognised for liabilities in relation to annual and long service leave as the liability is held on a whole-of-government basis and reported in those financial statements pursuant to AASB 1049 *Whole of Government and General Government Sector Financial Reporting*.

Under the Queensland Government's Annual Leave Central Scheme and Long Service Leave Scheme, levies are made on MAIC to cover the cost of employees' annual leave and long service leave. The levies are expensed in the period in which they are payable. Amounts paid to employees for annual leave and long service leave are claimed from the scheme quarterly in arrears.

#### ***Superannuation***

Employer superannuation contributions are provided through defined contribution (accumulation) plans or the Queensland Government's defined benefit plan (the former QSuper defined benefit categories now administered by the Government Division of the Australian Retirement Trust) as determined by the employee's conditions of employment. Contributions are expensed when they are paid or become payable following completion of the employee's service each pay period. The MAIC's obligations are limited to those contributions paid.

Contributions for accumulation plans are made to eligible complying superannuation funds based on the rates specified in the relevant enterprise bargaining agreements or other conditions of employment.

The liability for defined benefits is held on a whole-of-government basis and reported in those financial statements pursuant to AASB1049 *Whole of Government and General Government Sector Financial Reporting*. The amount of contributions for defined benefit plan obligations is based upon the rates determined on the advice of the State Actuary's Office.

Key management personnel and remuneration disclosures are detailed in **Note 19**.

<b>Total</b>	<b>7,947</b>	<b>6,832</b>

\* Corporate support services provided by National Injury Insurance Agency, Queensland (NIISQ) to the Motor Accident Insurance Commission (MAIC) under the tripartite memorandum of understanding (Refer to **Note 20**).

An expense is recognised when it is incurred, usually as goods or services are received or consumed.

Under AASB 16 *Leases*, lease arrangements with substantive substitution rights or are of low value are recognised as an expense when incurred and exempt from recognition on the Statement of Financial Position. MAIC's office accommodation falls under government-wide framework arrangements which are exempt under AASB 16 as the arrangements are categorised as procurement of services rather than as leases because the Department of Energy and Public Works has substantive substitution rights over the assets. As such, accommodation costs incurred by MAIC are recognised under "Rent" expense.

### 9. OTHER EXPENSES

### 10. RECEIVABLES

	2024	2023
	\$'000	\$'000
Accrued penalties	634	597
GST receivable	196	371
Leave reimbursements	175	184
Other receivables	-	235
<b>Total</b>	<b>1,005</b>	<b>1,387</b>

Receivables are recognised at the amounts due at the time of service delivery or when they are legally payable to MAIC. Penalties are recognised at the time of receipt of monies from uninsured motorists (refer to **Note 4**). Settlement of these amounts is generally required within 30 days. The collectability of receivables is assessed periodically and a loss allowance is recognised for expected credit losses based on reasonable and supportable forward-looking information.

MAIC's receivables are from Queensland and Australian Government entities. No loss allowance is recognised for these receivables on the basis of materiality. Refer to **Note 13** for MAIC's credit risk disclosures. Where MAIC has no reasonable expectation of recovering an amount owed by a debtor, the debt will be written off.

### 11. PAYABLES

	2024	2023
	\$'000	\$'000
<b>Current</b>		
Accrued expenses	308	362
Trade creditors	284	189
FBT payable	3	2
GST payable	-	7
<b>Total</b>	<b>595</b>	<b>560</b>

Trade creditors are recognised upon receipt of the invoices for goods or services ordered, while accrued expenses are recognised upon receipt of the goods or services ordered where invoices have yet to be received. Grants payable, included in the trade creditors, are recognised when the terms and conditions of the grants have been satisfied and upon receipt of invoices. They are measured at the nominal amount i.e. agreed purchase/contract price, gross of applicable trade and other discounts. Amounts owing are unsecured.

## Notes to and forming part of the financial statements

for the year ended 30 June 2024

### 12. FAIR VALUE MEASUREMENT

Fair value is the price that would be received to sell an investment in an orderly transaction between market participants at the measurement date under current market conditions (i.e. an exit price) regardless of whether that price is directly derived from observable inputs or estimated using another valuation technique.

Financial assets carried at fair value are categorised within the following fair value hierarchy:

Level 1	unadjusted quoted prices in active markets for identical assets or liabilities the entity can access;
Level 2	inputs (other than quoted prices included within level 1) that are observable, either directly or indirectly; and
Level 3	unobservable inputs.

Observable inputs are publicly available data that are relevant to the characteristics of the assets/liabilities being valued. Unobservable inputs are data, assumptions and judgements that are not available publicly, but are relevant to the characteristics of the assets/liabilities being valued.

	Level 2		Level 3		Total	
	2024 \$'000	2023 \$'000	2024 \$'000	2023 \$'000	2024 \$'000	2023 \$'000
Financial assets at fair value through profit or loss	103,043	107,543	21,144	15,541	124,187	123,084
<b>Total</b>	<b>103,043</b>	<b>107,543</b>	<b>21,144</b>	<b>15,541</b>	<b>124,187</b>	<b>123,084</b>

MAIC recognises financial assets invested with QIC at fair value through profit or loss. Fair value gains and losses are recognised in the Statement of Comprehensive Income. Classification of instruments into fair value hierarchy levels is reviewed annually.

The fair value of receivables and payables is assumed to approximate the value of the original transaction.

The carrying amount for cash assets represents the fair value.

#### Fair value hierarchy – Level 1

None of MAIC's valuation of financial assets or liabilities are eligible for categorisation into level 1 of the fair value hierarchy.

#### Fair value hierarchy – Level 2

MAIC measures investments in the QIC Long Term Diversified Fund at market value based on closing unit prices of QIC unlisted unit trusts.

While the units in this unit trust have redemption prices and are able to be traded, the market would not be considered active for level 1, therefore, they are considered to be level 2. A market comparison valuation approach is used, with the units carried at redemption value as reasonably determined by the fund manager.

## Notes to and forming part of the financial statements

for the year ended 30 June 2024

### 12. FAIR VALUE MEASUREMENT - continued

#### Fair value hierarchy – Level 3

MAIC holds investments in the QIC Registry Trust. These financial assets are not traded in an active market and include infrastructure assets which are held through investments in unlisted debt and equity instruments issued by portfolio companies

The fair value reported by MAIC is based on QIC's determination of the investments' fair value. The valuations of the underlying investments are based on unobservable inputs and their fair value is determined by QIC via independent valuations in accordance with QIC's Investment Valuations Policy. The sensitivity of the fair value measurement to market changes is outlined in **Note 13(c)**.

#### Reconciliation of Level 3 fair value movements

	2024	2023
Financial assets at fair value through profit and loss - QIC Registry Trust	\$'000	\$'000
Carrying amount at 1 July	15,541	14,947
Distributions	(1,236)	(1,170)
Gains recognised in operating result	6,839	1,764
Carrying amount at 30 June	<u>21,144</u>	<u>15,541</u>

### 13. FINANCIAL RISK DISCLOSURES

#### (a) Categorisation of financial instruments

MAIC has the following categories of financial assets and financial liabilities:

Category	Note	2024	2023
		\$'000	\$'000
<b>Financial assets</b>			
Cash and cash equivalents		11,382	7,297
Receivables (amortised cost)	10	1,005	1,387
Financial assets at fair value through profit or loss	12	124,187	123,084
<b>Total</b>		<u>136,574</u>	<u>131,768</u>
<b>Financial liabilities</b>			
Current payables (amortised cost)	11	595	560
<b>Total</b>		<u>595</u>	<u>560</u>

MAIC's receivables are measured at amortised cost as they are held for collection of contractual cash flows that are solely payments of principal and interest.

MAIC's financial assets consists of investments with QIC. As disclosed in **Note 12**, these are measured at fair value through profit or loss in accordance with AASB 9 *Financial Instruments*. The investments are held within a business model of being managed and evaluated on a fair value basis according to QIC's investment strategy.

No financial assets and financial liabilities have been offset and presented net in the Statement of Financial Position.

### 13. FINANCIAL RISK DISCLOSURES – continued

#### (b) Financial risk management

MAIC's activities expose it to a variety of financial risks – credit risk, liquidity risk and market risk.

Risk exposure is measured using a variety of methods:

<b>Risk Exposure</b>	<b>Measurement Method</b>
Credit risk	Earnings at risk
Liquidity risk	Maturity analysis
Market risk	Sensitivity analysis

#### (i) Credit risk

Credit risk exposure refers to the situation where MAIC may incur financial loss as a result of another party to a financial instrument failing to discharge their obligation. Credit risk arises from financial assets (cash and cash equivalents, investments held with QIC and outstanding receivables).

The carrying amount of financial assets disclosed in **Note 10** and **Note 13(a)** represents MAIC's maximum exposure to credit risk at balance date.

MAIC seeks to reduce the exposure to credit risk in the following manner:

- invest in secure assets through QIC with regular reviews of the investment strategy through frequent communication and meetings with QIC regarding MAIC's future cash requirements and to agree the investment mandate;
- all funds owed are monitored on a timely basis; and
- assess credit risk exposure, including any concentrations of risk, on an ongoing basis.

Cash and cash equivalents are held with banking and financial institutions through the whole-of-government banking arrangement managed by Queensland Treasury.

MAIC does not expect any material credit losses in relation to its receivables disclosed in **Note 10**. The debtor group comprises of Queensland and Australian Government entities. They are expected to have an insignificant level of credit risk exposure having regard to the nature and credit ratings of these entities.

#### (ii) Liquidity risk

Liquidity risk refers to the situation where MAIC may encounter difficulty in meeting obligations associated with financial liabilities that are settled by delivering cash or another financial asset.

MAIC is exposed to liquidity risk in respect of its current payables. The current classification represents the expected maturity of the payables. MAIC manages its exposure to liquidity risk by ensuring that MAIC has sufficient funds available to meet its liabilities. This is achieved by monitoring the QIC investment funds and maintaining minimum cash balances within its bank account to meet both short-term and long-term cash flow requirements.

#### (iii) Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices – namely, unit prices, interest rates and foreign exchange rates. Market risk comprises of foreign currency risk, interest rate risk and other price risk.

### 13. FINANCIAL RISK DISCLOSURES – continued

The significant market risks to MAIC relate to its investments managed by QIC. The investment portfolio includes investments in cash, fixed interest funds, property, infrastructure, private equity, international and Australian equities, and alternative funds. The market risk of the investment portfolio comprises the risk that the market prices of the funds will change during the next reporting period.

Interest rate risk also exists in relation to MAIC's cash held in interest bearing bank accounts.

Market risk is managed through regular reviews of the investment strategies with QIC and assessment of three-year return forecasts.

#### (c) Market risk sensitivity analysis

A sensitivity analysis has been performed assessing the impact to the profit or loss if the market prices of MAIC's investment funds change. The analysis is based on a range of reasonably possible changes to key risk variables applicable to the QIC investment funds as identified by QIC, including the RBA official cash rate, US Federal Reserve official cash rate, ASX 200, MSCI World ex Australia Equities Index and real estate capitalisation rate.

MAIC's sensitivity to these possible changes are shown in the table below. The foreign exchange risk represents the risk that the exposure value (in AUD) of a financial instrument will fluctuate because of changes in foreign exchange rates. For example, if the underlying foreign currencies strengthen, the AUD exposure value will weaken, and vice-versa.

2024	Price Risk		Interest Rate Risk		Foreign Exchange Risk	
	-10%	+10%	-0.25%	+0.25%	-10%	+10%

### 18. BUDGETARY REPORTING DISCLOSURES – continued

#### Explanations of major variances

##### Statement of Comprehensive Income

<i>Penalties</i>	Higher penalties revenue from uninsured motorists collected by the DTMR and Queensland Treasury (SPER) and remitted to MAIC.
<i>Other revenue</i>	The variance in other revenue relates to return of unspent grant funds.
<i>Net fair value gains/(losses) on financial assets at fair value through profit or loss</i>	The increase in net fair value gains on financial assets at fair value through profit or loss is primarily due to higher than expected earnings on investments as a result of improvements in the equity market.
<i>Grants</i>	The variance in grants payments is due to lower than anticipated investment in road trauma mitigation funding.
<i>Employee expenses</i>	The variance in employee expenses is primarily due to delays in filling vacancies during 2023-24.

##### Statement of Financial Position

<i>Cash and cash equivalents</i>	The cash balance is higher than projected as detailed in the Statement of Cash Flows.
<i>Prepayments</i>	The increase relates to timing of annual payments.
<i>Financial assets at fair value through profit or loss</i>	The variance in financial assets at fair value through profit or loss reflects a higher audited opening balance than projected in the budget.
<i>Accumulated surplus</i>	The increase in accumulated surplus reflects a higher audited opening balance than projected in the budget and a higher than anticipated operating result in 2023-24.

##### Statement of Cash Flows

<i>Penalties</i>	Higher penalties revenue from uninsured motorists collected by the DTMR and Queensland Treasury (SPER) and remitted to MAIC.
<i>GST input tax credits from ATO</i>	The variance is due to the amount of input tax credits paid by the ATO for supplier invoices processed which was not budgeted for.
<i>Other revenue</i>	The variance in other revenue relates to return of unspent grant funds which was not budgeted for.
<i>Grants</i>	The variance in grants payments is due to lower than anticipated investment in road trauma mitigation funding.
<i>Employee expenses</i>	The variance in employee expenses is primarily due to delays in filling vacancies during 2023-24.
<i>Supplies and Services</i>	The variance relates to timing of annual payments.
<i>GST paid to suppliers</i>	The variance is due to the amount of GST paid for supplier invoices processed which was not budgeted for.

### 19. KEY MANAGEMENT PERSONNEL (KMP) DISCLOSURES

#### Details of KMP

The Treasurer and Minister for Trade and Investment is identified as part of MAIC's KMP, consistent with additional guidance included in the revised version of *AASB124 Related Party Disclosures*.

The following details for non-Ministerial KMP include those positions that had authority and responsibility for planning, directing and controlling the activities of MAIC during 2023-24 and 2022-23. Key Management Personnel also provided services to the Nominal Defendant and the NISQ Agency as part of their overall role.

Position	Responsibilities
Insurance Commissioner	Leads the efficient, effective and economic administration of MAIC.
General Manager MAIC	Leads and manages the strategies, policies and performance with respect to the regulation of the CTP scheme.
General Manager Innovation and Delivery <sup>(1)</sup>	Responsible for driving innovation and delivering business-led solutions for MAIC.
General Manager Business Advisory and Services <sup>(1)</sup>	Responsible for the leadership and supervision, compliance and performance of the MAIC's corporate services functions, including finance, risk and assurance, human resources, communication, and analytics.

(1) This is a NISQ position and the remuneration is disclosed in the NISQ financial statements.

#### Remuneration policies

Ministerial remuneration entitlements are outlined in the Legislative Assembly of Queensland's Members' Remuneration Handbook. MAIC does not bear any cost of remuneration of Ministers. The majority of ministerial entitlements are paid by the Legislative Assembly, with the remaining entitlements being provided by Ministerial Services Branch within the Department of the Premier and Cabinet. As all Ministers are reported as KMP of the Queensland Government, aggregate remuneration expenses for all Ministers are disclosed in the Queensland General Government and whole-of-government Consolidated Financial Statements, which are published as part of Queensland Treasury's Report on State Finances.

Remuneration policy for MAIC's other KMP is set by the Queensland Public Service Commission as provided for under the *Public Sector Act 2022*. The remuneration and other terms of employment (including motor vehicle entitlements) for the KMP are specified in employment contracts.

## INDEPENDENT AUDITOR'S REPORT

To the Insurance Commissioner of Motor Accident Insurance Commission

### Report on the audit of the financial report

#### Opinion

I have audited the accompanying financial report of Motor Accident Insurance Commission.

The financial report comprises the statement of financial position as at 30 June 2024, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements including material accounting policy information, and the management certificate.

In my opinion, the financial report:

- a) gives a true and fair view of the entity's financial position as at 30 June 2024, and its financial performance and cash flows for the year then ended; and
- b) complies with the *Financial Accountability Act 2009*, the Financial and Performance Management Standard 2019 and Australian Accounting Standards.

#### Basis for opinion

I conducted my audit in accordance with the *Auditor-General Auditing Standards*, which incorporate the Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report.

I am independent of the entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including independence standards)* (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code and the *Auditor-General Auditing Standards*.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### Other information

Those charged with governance are responsible for the other information.

The other information comprises the information included in the entity's annual report for the year ended 30 June 2024, but does not include the financial report and our auditor's report thereon.

My opinion on the financial report does not cover the other information and accordingly I do not express any form of assurance conclusion thereon.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or my knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact.

I have nothing to report in this regard.

## **Responsibilities of the Insurance Commissioner for the financial report**

The Insurance Commissioner is responsible for the preparation of the financial report that gives a true and fair view in accordance with the *Financial Accountability Act 2009*, the Financial and Performance Management Standard 2019 and Australian Accounting Standards, and for such internal control as the Insurance Commissioner determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

The Insurance Commissioner is also responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless it is intended to abolish the entity or to otherwise cease operations.

## **Auditor's responsibilities for the audit of the financial report**

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of my responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at:

[https://www.auasb.gov.au/auditors\\_responsibilities/ar4.pdf](https://www.auasb.gov.au/auditors_responsibilities/ar4.pdf)

This description forms part of my auditor's report.

## **Statement**

In accordance with s.40 of the *Auditor-General Act 2009*, for the year ended 30 June 2024:

- a) I received all the information and explanations I required.
- b) I consider that, the prescribed requirements in relation to the establishment and keeping of accounts were complied with in all material respects.

## **Prescribed requirements scope**

The prescribed requirements for the establishment and keeping of accounts are contained in the *Financial Accountability Act 2009*, any other Act and the Financial and Performance Management Standard 2019. The applicable requirements include those for keeping financial records that correctly record and explain the entity's transactions and account balances to enable the preparation of a true and fair financial report.
